SERVICES PROVIDED FOR \$1,500

(Details at www.DeathCaseReview.com/Investigators.html)

*This fee is based on average volume of records, reports and photographs provided to AFI-LLC. This does not include AFI-LLC obtaining any materials for review.

* There is a minimum \$250 fee, plus expenses, for obtaining any available records, reports and photographs not provided.

* All records, reports and photographs must be sent digitally by email, DropBox, mailed media (flashdrive, DVD, etc.). There is a minimum \$125 fee to process hardcopy files to digital.

* DO NOT send or transmit any originals – we do not return submitted files.

This is a flat fee, with client provided records, reports and photographs, for us as "*Expert Medicolegal Death Investigators to review the records, reports, photographs and evidentiary documentation in order to provide a non-medical expert opinion, within the scope of our education, training and experience, as to the totality of the circumstances of the death and the competency of the official investigation, with respect to death investigation protocol and standards.*"

Our findings and conclusions are provided in a written memorandum to the family. This memorandum is not, or to be used as, an expert report in any litigation process.

Printed name, signature and date of Investigator _____ (printed)

_____ (date)

There is no charge to review your case. All confidentiality is respected and maintained as work product. Any documentation provided to assist with this evaluation it will be retained as part of the working confidential case file. If declined they will be returned or destroyed at your discretion.

With kindest regards, Dean and Karen
