*“To the living we owe respect, to the dead we owe the truth.” – Voltaire  
by extension, we are uniting the unknown living with the deceased*

*PRIDE – Professional Reliable Investigators Defining Excellence*

Our goal for Heirs and Relatives Due Diligence Investigations is unite families and decedents, while providing required information for the distribution of any estate assets. These services are not for commission or contingency based services – we are not ‘heir hunters’ and do not accept commissions. We provide these services to only County Administrators and legal representatives of Executors.
